

Right Way Medical is a national concierge and consultant of infusion services for the alternate site market, delivering patient-ready infusion pumps, disposables, biomedical services, and asset tracking software, Right Track.

In Partnership With

BIOMED SERVICES

Maximize equipment life and increase reliability with annual pump maintenance and repair services.

Our certified biomedical technicians focus on speed without compromising quality - putting patient-ready equipment back in your hands quickly.

RIGHT TRACK

Stop chasing after your assets and eliminate convoluted excel spread sheets with unreadable data.

Streamline inventory levels, track live status & location updates, and simplify compliance records with our web based asset tracking software, Right Track.

FLEXIBLE FINANCING

We get it. Getting the right medical equipment financing plan can be challenging.

That's why we focus on building flexible financing strategies to meet your budget and goals with a combination of rental, leasing, and purchase terms for new and used medical devices.

Right Way Medical holds partnerships with major manufacturers nationwide, allowing our team to offer and support nearly any infusion device.

RENT

- Avoid upfront costs of purchasing
- Reduce risks from capital investments
- Increase or decrease equipment easily

LEASE

- Typically lower monthly fee than renting
- Avoid upfront costs of purchasing
- Upgrade your equipment at end of term

PURCHASE

- Avoid reoccurring costs of renting or leasing
- Depreciate assets over time for tax benefits
- Sell assets to secondary market if needed
