Our Satisfied Clients

We're finding savings for clients of all sizes!

"Along with providing significant audit/compliance savings, they go above and beyond to work directly with our many different divisions as well as our AP team to develop a consistent and easy cost accounting process. With their visibility reporting metrics, we are also able to easily assess our current operating state and pinpoint areas of improvement for freight."

DOUG DROMEY

Transportation Analyst

"Your ability to quickly and easily evaluate our shipments, along with the specific accessorial charges, has been a great help during our rapid growth... Since working with STI, Curant Health has re-evaluated our shipping policies, procedures and partners to add savings to our bottom line."

SCOTT ZEPP

Executive Vice President

"Shipment Trackers' ability to file claims and provide concise reports is hard to beat in the industry. Their team is always just a phone call or an email away, and no question or request is too big or too small."

ANDREW CONROY

Patient Experience Manager

"Most recently, they performed a comparison of FedEx shipping costs on prescription medications between two providers which identified annual cost savings of over \$100,000, representing nearly 9% of our total shipping costs."

KEVIN FOSTER
