

AGENDA HIGHLIGHTS

Last year, our Infusion Side Chat was standing room only. This year, we're providing two opportunities to join the discussion!

Infusion Side Chat:

Room 15

Monday | 5:30 PM | Leveraging Patient Data to Improve Clinical Outcomes with ScriptMed®

Tuesday | 4:15 PM | Leveraging Data & Logic for Improved LDD and Payer Access with ScriptMed®

Speakers:

Ashley Diermeier

AVP, Sales
Inovalon

Holly Weineke

Sr. Principal
Product Manager
Inovalon

Wilson Tam

PharmD, Director of
Sales Engineering
Inovalon

Exhibitor Theater:

Enhancing Patient & Provider Engagement with ScriptMed | Exhibit Hall

Tuesday | 10:40-11:10 AM

Speakers:

Ashley Diermeier

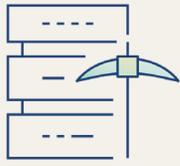

AVP, Sales
Inovalon

Wilson Tam

PharmD, Director of Sales Engineering
Inovalon

Join the Inovalon experts to learn how the ScriptMed Infusion application can streamline patient and provider engagement. We'll also discuss new features within the application, and provide the opportunity to ask questions.

Configurable

Scalable

Cloud-based

End-to-end

ScriptMed is the only software solution designed to manage your infusion workflow from start to finish. Don't miss the opportunity to see it firsthand.

Stop by booth #301.

Scan the code to learn more about ScriptMed and how it could help your organization improve patient outcomes and lower costs.

Visit **booth #301** during exhibit hall hours to create your own gelato sundae, served in a lighted glass that is yours to keep!
